FOREWORD

In commemorating the 60th Birth Anniversary of His Majesty the Fourth Druk Gyalpo, the Department of Human Resources under Ministry of Labour and Human Resources would like to bring out Rules and Regulations for Technical Training Institutes and Institute for Zorig Chu Sum. These rules and regulations have been developed from the existing Rules and Regulations of the institutes, with objective to generalize the rules and regulations in all the institutes under the department.

Since the establishment of training institutes, there was no established Rules & Regulations that could be practiced uniformly throughout the eight training institutes.

For smooth functioning of the Institutes and to facilitate an enabling environment to the trainees, the following rules and guidelines have been therefore formulated for observance by the trainees.

The Rules and Regulations will discuss the discipline policies of the institute in detail and also summarizes those policies, showing the areas of jurisdiction and the levels of offense and penalty. The major focus in this document is on the procedures of the Institute rules and discipline committee.

Whenever a trainee is charged with non-academic misconduct, a disciplinary conference will be scheduled with the concern authority. Any trainee charged with misconduct is urged to consult with discipline committee to be informed of the procedures that will be followed and to receive assistance accordingly.

The department hopes that this Rules and Regulations will provide clarity on discipline of trainees both inside and outside the campus.

For coming out with this important document, I would like to congratulate Mr. Wangchuk (Offtg. CPO). Ms. Yeshey Choden, Ms. Thaye Choden Dorji and all Principals and faculties of Technical Training Institute and Institute for Zorig Chusum.
